

# Efficient Lamb Production

An all-day conference  
Registration commencing 9:30am

Wednesday 29 November 2017  
CAFRE, Greenmount Campus  
Delegate cost: £20

Over 40% of farms in Northern Ireland have a sheep enterprise with a total annual output worth £70 million. Sheep have helped to shape our businesses and the environment we live in. The aim of this conference is to help you future proof your sheep enterprise and make it more efficient.
