

The following is a list of training courses approved by the Northern Ireland Beef and Lamb Farm Quality Assurance Scheme (NIBL FQAS) that, if completed, will ensure compliance with Standard 2.3 as outlined in the NIBL FQAS Standard and Rules 2018 (<https://www.lmcni.com/farm-quality-assurance/documentation/>).

Any training courses undertaken from 3rd February 2020 must cover at least:

- Purchasing routes
- Critically Important Antibiotics & AMR
- Storage conditions
- Recording requirements
- Administration routes
- Avoiding residues
- Vaccination
- Anthelmintics
